

SEND US YOUR BEST!

Apply for *Florida Leader's* 2003 "Best of Florida Schools" Awards

We're looking for the special, the unique, the bizarre, the wonderful, the BEST that your school has to offer for *Florida Leader's* 14th annual "Best of Florida Schools" issue! This much-anticipated annual issue showcases public universities, private colleges, and community colleges across the state. Please complete the form below to nominate yourself for an annual category, or create your own! Applications must be received by **December 6, 2002**. Please include activities from the spring, summer, and fall semesters of 2002.

It can be BIG or small, but it can't be mundane!

Florida Leader wants to hear about your Greek organizations, your yearbook, your residence life experience, and your homecoming theme, or tell us if yours is the best-looking campus. These annual categories highlight the big things that set your school a step above the others in the state. WARNING: The competition in these categories is fierce! We need to see the entire application with all materials (pictures, programs, letters, awards, etc.) by December 6, 2002. (NOTE: Due to the volume of applications, materials will NOT be returned.)

Just as important to *Florida Leader* are the little things: the cool new club, the great student-run craft show, the neat hats given out to new students, the president who dresses up like the Easter Bunny for the local hospital every spring. Create the category and send it in using the application below or go on-line at www.floridaleader.com. We'd love to see pictures, so be sure to include them. REMEMBER: We're glad that your grounds crew put in new bushes and the computer lab has been upgraded, but the general categories are about the things that make your campus *special*. If you need inspiration, check out these examples from last year:

Category: "Best Horror Film Class"

Description: Florida Atlantic University students get terrorized into learning more about the film genre in the "The Horror Film" class.

Category: "Best Toilet Paper"

Description: Rollins College Student Government keeps students informed with a newsletter hung inside bathroom stalls on campus.

Category: "Best Athletic Action"

Description: St. Thomas University's "Athletes Take Action" is a service group that makes athletes into leaders outside of sports.

At least one application from your school MUST be submitted to be considered for any categories.
