■ What Florida Students Think Survey

1. What steps have you taken to guarantee that your organization is serving students' needs?

2. What advice would you give to up-and-coming leaders?

3. Do you feel on-line campaigning depersonalizes the election process? Why or why not?

4. How has your group improved the quality of campus life for students?

5. Do you think credit card vendors should be banned from campus? Why or why not?

6. Do you work with other campus groups to organize/sponsor events? Why or why not?

7. What current Florida public official do you most admire and why?

8. Do you think students should have direct input into how their activity fees are spent? Why or why not?

9. What will most improve life in Florida in the future? Explain.

10. Should affirmative action play a role in college admissions? Why or why not?
